****GIVEAWAY!****

AMF-Bruns of America will be in booth 501 at the show and they are giving away these Emergency Belt Cutters! Stop by their booth to learn more about their products and their commitment to safety, and pick up your free cutter (while supplies last).

Did you know? AMF-Bruns of America is a worldwide manufacturer of wheelchair securement products and occupied restraint systems for safe transportation. They are dedicated to offering safe, flexible and innovative passenger transport solutions for manufacturers, distributors, dealers and users of all types of vehicles.
